

SCREEN DEALING BULLETIN NO. 16/00

SYCOM IV UPGRADE

Members are advised an upgrade to the SYCOM® IV system has been scheduled for Saturday 6th May 2000.

This upgrade involves changes to the MFWS and will require SFE staff access to members' offices on Saturday morning. Accordingly, SFE staff will contact each member to make necessary arrangements. The upgrade contains the following enhancements/fixes:

Faults

- APT Failure - as advised in Bulletin 14/00
- Printer Log issue - as advised in Bulletin 12/99
- AOEI - problem related to recovery scenario (Market Status Message after System pause)

Enhancements

- Fix Message - AOEI filters for market updates and market download

If members have any further queries please contact the undersigned on 9256 0415.

GEORGE MAGANAS
