SYCOM Interface – Migration assistance pre April 1 change in Infrastructure charges

In order to assist Participants with the migration from SYCOM Workstations to SYCOM Interface's, combined with the ability to currently trial ISV Order Systems, SFE is reducing the costs associated with access to the market for SYCOM Interfaces.

For the month of March all Participants will have the monthly SYCOM Interface fee waived for a maximum of two SYCOM Interfaces and from now until the end of March SFE will waive all installation fees associated with new SYCOM Interface requests (provided the commission date is no later than 30 April).

Please see the table below for a full description of all applicable rebates.
