Screen Dealing Bulletin No: 008/02

From: SFE Corporation Limited ABN 74 000 299 392

Date of Issue: 3 April 2002

Effective Date: 15 April 2002

EXCHANGE FOR PHYSICAL (EFP) PROCEDURAL CHANGES

In response to increased errors, amendments and cancellations involving EFP's the following procedural changes are being introduced effective 15 April 2002.

EFP's that have already been approved cannot be amended. Any change that needs to be made to an approved EFP requires the cancellation of the trade and the re-insertion of the correct EFP into SFEIN for approval by Trading Operations. The trade will have the current trade date of the ammendment rather than the original trade.

To minimise the need for such amendments all Participants are requested to review and confirm their trade details prior to entry into SFEIN for approval.

Attached are the **new** forms for Day 1 and Day 2 EFP cancellations that need to be filled out and sent to Trading Operations via fax on (9256 0617). Please note that such EFP cancellations are **not** to be sent to Clearing Support Centre.

CANCELLATION FEE

Also effective 15 April 2002, the SFE wish to advise that consistent with exchange traded products a fee of \$325.00 + GST will be charged for all EFP and Block Trade cancellations.

Should you have any queries please contact Andrew Couper in Trading Operations on 9256-0677 or Angie Kingham in Clearing Support Centre on 9256 0546.
