Effective Date: 23 November 2002

RELOCATION OF SYCOM TRADING PLATFORM TECHNICAL HARDWARE

All Participants are advised that on the weekend of 23-24 November 2002 all technical hardware associated with the delivery of the SYCOM Trading Platform will be relocated from Grosvenor Place to Royal Naval House.

Internal SFE IT Production Support will be undertaking this task with assistance from the hardware supplier (Compaq) and the communications supplier (Telstra). During the relocation on 23 November 2002 Participants are not required to be present or to provide any technical resources. SFE and its suppliers will undertake all tasks.

The table below details the sequence of events over the weekend.

The SYCOM Trading Platform will be made available for connection to all Participants between the hours of 2pm and 4pm on Sunday 24th November 2002. All telecommunications will have already been tested internally by SFE, however this opportunity is presented to allow all Participants to “sanity check” their connectivity capability. It is recommended that all Participants make use of this opportunity.

SFE Trading and Technical staff will be available between 2pm and 4pm on Sunday 24th November 2002 to assist all Participants in their connectivity sanity check. All communication on this date should be made via the Trading Operations helpdesk on (02) 9256 0667.

Should you have any queries regards the above please contact the relevant person below.
