Amendments to the SYCOM Trading Etiquette

Members are advised of amendments to the SYCOM Trading Etiquette which were made by the Board on 17 November and which come into effect immediately (but which are subject to regulatory disallowance).

The amendments, which are of an administrative nature, have been made:

- to SYCOM.2.1 to reflect the fact that SYCOM no longer relates solely to overnight trading and to make it clear that the now acronym refers to Sydney Computerised Market and no longer Sydney Computerised Overnight Market;
- to SYCOM.7.4 to 7.9 and 9B.8 to reflect the recent amendments in Article 13 which establish the Market Practices Committee and to recognise that matters may be referred to that Committee or to the Business Conduct Committee;
- to update references in SYCOM.7.7 and 7.8 to the new Article 38, which now deals with disciplinary matters; and
- to change the time bracket in SYCOM.12.4 to vary from 8.30 am to 9.30 am the time by which Members are required to confirm their overnight SYCOM trading. This reflects the change in time brackets recently approved by the Board and notified to Members.

The amendments are set out in full in the Annexure.
