## **Closure of the Trading Floor**

Members are advised that, at the Extraordinary General Meeting of Floor Members which was held on Thursday, 28 October 1999, Floor Members voted in favour of completely closing the Trading Floor and moving to a fully electronic trading platform.

The last day of Floor trading will be Friday, 12 November 1999. From Monday, 15 November, all SFE's futures and options products will be traded on the SYCOM® IV (Sydney Computerised Market) electronic system.

The decision follows the result of an Extraordinary General Meeting held on 26 August 1999 when Floor Members voted in favour of partially closing the Floor by transferring Share Price Index (SPI®) futures and options contracts and individual share futures to SYCOM® IV on 4 October 1999.
