## **Trading Floor Equipment Auction**

An auction of surplus equipment from the Trading Floor is to be conducted for Members only on the trading floor at 10.30am on Friday 3 December, 1999.

A list of items available for purchase and supporting technical details is attached. Feedback from Members to date suggests there is strong demand for most items and that there is a preference to attempt to sell items as a total package (ie. all phones or all monitors or all screens).

The auction will be conducted by James Barnier from Deans Auctions, who has performed charity auctions on the floor in the past and who is kindly donating his time.

Registration at the Royal Naval House ground floor security desk and viewing of items will be available from 9am.

Any queries on the auction process should be addressed to Paul Phillips from Deans Auctioning on 0419 600 024 or Paul Lowe, Senior Manager, Facilities, SFE on 9256 0518.

Any equipment not brought by Members will be auctioned at a later date to other exchanges and interested parties.

SFE will assist the purchaser with the removal of the equipment and the transfer of any warranty, service or support arrangements, but relocation and installation/implementation costs will be borne by the purchaser.
