DOWNLOADING BUSINESS RULE AMENDMENTS FROM SFE'S WEBSITE

Update Service No. 2-5

The Loose-Leaf service of the Business Rules of SFE has been updated to reflect the recent amendments to the Business Rules.

Users of the loose-leaf service may wish to download Update 2-5 from the SFE website (located under "Market Operations" / "Business Rules"). The document should be printed **double-sided** (or print single-sided and double-side photocopy). The pages also need to be punched with a three-hole punch before inserting into your binder.

The filing instructions should then be followed as set out in the covering page to the loose-leaf download.

Users who do not wish to download their own update but wish to obtain a hard copy from SFE should contact Ms Kym Megy at SFE (phone: 02 9256 0539). Participants are entitled to a free copy, and the fee for other users is \$20.00.

A handwritten signature in black ink that reads "Barbara Jones".
