SFE Bulletin No: 95/02

From: SFE Corporation Limited ABN 74 000 299 392

Date of Issue: 05 Sep 2002

Effective Date: Immediate

OPEN INTEREST REPORTING

SFE wishes to advise all Participants that a significant reduction in reported open interest occurred overnight across many of the Exchange's contracts.

This adjustment was due to rectification of a known administrative anomaly which existed in respect of the position reporting of a Participant, and was undertaken at the request of the Exchange's Surveillance function in order to resolve the issue prior to the September roll period. Accordingly, the Exchange is satisfied that open interest levels now provide a better guide to the size of the Exchange's markets, and remain well above reported levels at the same time last year (as previously advised in bulletin 89/01).

Should you have any queries, please contact Mark Floyd - Manager, Compliance and Surveillance at mfloyd@sfe.com.au or on (612) 9256 0477.
