MLA/SFE Cattle Futures – Change to Final Trading Day

For the March 2005 and subsequent contract months, the Final Trading Day for MLA/ SFE Cattle Futures will co-incide with the 3rd Tuesday of the Settlement Month or the previous Business Day if this day is not a Business Day.

The previous practice of the Final Trading Day being the Business Day after the 3rd Tuesday of the Settlement Month will be discontinued as it serves no purpose once the Eastern Young Cattle Indicator (EYCI) is known on the 3rd Tuesday of the Settlement Month.

The existing day time (10.00am and 4.00pm) and overnight (5.10pm to 7.30am) trading hours remain unchanged.
