2.1 To reflect payments made to holders of WES shares, the Exchange will adopt a similar approach to the adjustment of WES ISFs. The Exchange will adjust all WES ISF contracts with open interest after the close of business on Friday 18 February 2005. This will occur as per the following formula:

$$\text{Debit/Credit per ISF open position} = \text{Return of Capital per share} \times \text{number of Underlying Shares per WES ISF}$$

$$= \$1.00 \times 1,000 \text{ shares}$$

$$= \$1,000$$

2.1.1 Long position holders will be **credited** with the value of the capital return consistent with the formula above;

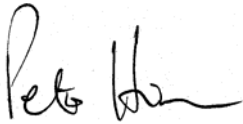

2.1.2 Short position holders will be **debited** with the value of the capital return consistent with the formula above;
