Labour Day Holiday - Monday 5 October 1998

Whilst Monday, 5 October 1998, will be a Labour Day Holiday in New South Wales, the Sydney Futures Exchange Limited (SFE) and Sydney Futures Exchange Clearing House Pty Limited (SFECH), will be open for business. The SFECH will clear the market on that day with respect to Clearing Members closing positions for Friday, 2 October 1998.

Sydney Cash Flows - 5 October 1998

Clearing Members who usually operate out of Sydney may elect either to settle shortages/excesses on 5 October 1998, in Melbourne or else leave additional cover in the form of extra margins in both House and Client Accounts with the SFECH on 2 October 1998. These extra margins will then be used to cover any shortages due on 5 October 1998, with the balance being treated as excess cash and therefore not subject to the 0.50% per annum interest haircut.

The extra margins required will be equivalent to the total initial margin on both the Member's House and Client Accounts calculated on positions as at the close of business on Thursday, 1 October 1998.

Those Clearing Members who elect to settle shortages/excesses with the SFECH on 5 October 1998, must be aware that all payments and receipts will operate through the SFE's **Melbourne Office** (SFE Melbourne) located at **Level 1, 412 Collins Street, Melbourne, Telephone (03) 9670 6611** and **Facsimile (03) 9670 4556**. Any Clearing Members with shortages must have **BANK CHEQUES** delivered to SFE Melbourne office by 10:30am and excesses will be available from SFE Melbourne after 12:00noon. (Please note that SFECH will still make all excess payments to Client Accounts in favour of the Member's "Client Segregated Account").

Clearing Members paying in Melbourne **must ensure** cheques are drawn on a **Melbourne branch bank account** (unless Members have special arrangements with their bank so that cheques drawn on their Sydney bank will be honoured for value date 5 October 1998). All cheques should be made payable to "Sydney Futures Exchange Clearing House Pty Limited". Clearing Members who usually contact the SFECH regarding daily cash flows should still fax the **SFECH Sydney Office** prior to 9:30am on (02) 9256 0426.

All Clearing Members who normally settle clearing cash flows in Sydney are required to fill in the attached form and return it to the Clearing House by **Wednesday, 30 September 1998**.

Each Member must elect to pay extra margins or settle cash flows and provide banking details if the

latter is selected. If you elect to settle cash flows please provide contact details.

New Zealand Cashflows - 5 October 1998

NZFOE will also be open for business as usual on the 5 October 1998 and Members will be required to pay any shortages in their NZ\$ House and Client accounts as normal.

However, as a service to Members the option to avoid cashflows and leave additional cover is available (equivalent to the total initial margin on both the House and Client accounts calculated as at the close of business on Thursday, 1 October 1998).

Members electing to deposit double initial margins on 2 October 1998 are required to complete "Deposit of Extra Margins-NZFOE" section of the attached form.
