NEW GRAINS FUTURES CONTRACTS
RECEIPT REPORTING

In the coming months, each Approved Warehouse for the SFE Barley, Canola and Sorghum and Wheat Futures contracts will either issue and/or cancel receipts as requested by their clients. This activity is required to be reported to the Sydney Futures Exchange Clearing House (SFECH) .

The content and method of reporting to SFECH is presently under consideration and we will advise all warehouses once this has been determined. Reporting for Wheat will remain as is until further notice is given. Please contact Emmanuel Said on (02) 9256-0191 if you have any queries regarding the above.
