To streamline the transition, from Tuesday, 23 October 2001, EFP's will be entered into STACS and SECUR with a fully numeric trade number. SFEIN currently generates EFP trade numbers with a prefix of E. From Tuesday the E will be replaced by an 8 e.g. E39612 will be entered as 839612. All other alphanumeric Off Market trade numbers will be converted to fully numerical numbers from Monday, 12 November 2001.
