

SFE NOTICE NO. 76/06

Date of Issue: 7th July 2006

Effective Date:

SFE OPERATIONAL POLICIES

SFE publishes via its website Operational Policies designed to preserve market integrity while providing a clear, consistent and consolidated interpretation of the operational management of SFE markets. The Operational Policies detail how operational decisions are made in a range of circumstances consistent with the SFE Operating Rules and the SFE regulatory obligations.

SFE has extended its range of Operational Policies to include the SFE Error Resolution Policy and the SFE interest Rate and Equity Market Operational Policy which are available immediately on the links below and will become effective on the 28th July 2006.
