Date of Issue:

17 July 2006

---

**AUSTRACLEAR SYSTEM CHANGE FROM FINTRACS TO EXIGO-CSD.  
AUSTRACLEAR SYSTEM REGULATIONS.  
AUSTRACLEAR SYSTEM PROCEDURES DETERMINATIONS & PRACTICE NOTES.**

Prior to the commencement of the Austraclear Replacement System, the revised *Austraclear System Regulations* and the new *Austraclear System Procedures Determinations & Practice Notes* have been placed on the SFE website for viewing by Austraclear Members. The location is [www.sfe.com.au](http://www.sfe.com.au) (in the Quick Links box, select Operating Rules and go to heading 6 at the bottom of the page "Proposed new Austraclear Operating Rules").

The documents are displayed in both clean and marked-up form, with a short explanatory page at the beginning of each one outlining the revised structure of the documentation.

The documents have received regulatory approval and will take effect when the new system commences live use.

For inquiries regarding the revised Austraclear System Regulations and the new Austraclear System Procedures Determinations & Practice Notes please contact the SFE Austraclear project helpdesk on 1300-768-055 or via email to [exigo@sfe.com.au](mailto:exigo@sfe.com.au).
