

SFE NOTICE NO.

102/07

Date of Issue:

16 August 2007

IMPORTANT – Halt to SFE Markets – 16 August 2007

All SFE Markets will be halted at 12.45pm to address an urgent hardware rectification (unrelated to trading volumes).

Advanced notice is provided to all users in order that this unscheduled market pause is managed as effectively as possible.

The expected halt to trading is between 45 and 75 minutes. The re-opening times for products will be communicated via the Sycom System Status on the ASX website.

SFE Markets will recommence without a pre-open, however users will have an opportunity to cancel orders prior to the resumption of trading.

Participants are advised to ensure their users and Direct Market Access clients are aware of the market pause and process for resumption of trading.

Please utilise the ASX website as the primary source of information. Highlights of available information will be provided via the Sycom Message Facility.
