

SFE NOTICE NO. 120/07

Date of Issue: 17 September 2007
Effective Date: 1 October 2007

Cessation of New SYCOM Workstation Installations

Further to SFE Notice 81/07, SFE Participants are advised that from 1 October 2007 ASX will not undertake the installation of new SYCOM Workstations in any location. Requests received between today and 1 October for new SYCOM Workstations will be considered on a case by case basis.

Going forward ASX will continue to provide Participants with support for existing SYCOM Workstations and swap outs for those terminals deemed by the Exchange to be faulty and in need of replacement until the final decommission date of 1 July 2008.

Further details on the manner by which the ASX intends to proceed with decommissioning SYCOM Workstations will be made available in the near future.

This cessation does not affect the availability or installation process for SYCOM Interfaces.
