

SFE NOTICE NO.

181/09

Date of Issue: 26 October 2009
Effective Date: 5 November 2009

Amended Trading Hours and Block Trading Hours for all Australian Electricity and Victorian Wholesale Gas Futures and Options

The following amendments are proposed to the Procedures, Determinations and Practice Notes of the SFE Operating Rules:

- Amendments to the trading hours and time at which trading ceases on the final trading day for all Australian Electricity and Victorian Wholesale Gas futures and options contracts.
- Amendments to the Determination to Rule 3.4 – Block Trading to accommodate the registration of Block Trades in all Australian Electricity and Victorian Wholesale Gas futures and options contracts by extending the Block Trading trading hours for these contracts only.

In summary, the changes will result in the daily closing time moving to 4pm (from 5pm) with Block Trades being able to be registered prior to 5pm for the effected futures and options.

These changes will take effect from and including Thursday 5 November 2009.

The relevant [amended Procedures, Determinations and Practice Notes of the SFE Operating Rules](#) are attached to this Notice.
