

SFE NOTICE NO. 101/10

Date of Issue: 8 July 2010  
Effective Date: 8 July 2010

---

## BORAL LIMITED ENTITLEMENT ISSUE - CASH ADJUSTMENT TO ASX BLD CFDS, EARLIER EFFECTIVE DATE

### 1.0 Introduction

Participants were advised in SFE Notice 100 dated 6 July 2010 of the cash adjustment implications for ASX BLD CFDS (commodity code **BZK6**) under the \$4.10 1 for 5 accelerated renounceable entitlement offer by Boral Limited (ASX Code: **BLD**). The new shares will rank the same as existing shares with respect to the dividend for the year ending 30 June 2010.

#### Earlier Resumption of Trading

BLD resumed trading on 8 July 2010 at 2.30 pm, following an announcement by the company of the completion of the institutional component, rather than on indicatively 9 July 2010. Accordingly, ASX will determine the CSPA for the cash adjustment based on the trading of BLD on 8 July 2010.

#### Effective Date Change

The effective date will now be 8 July 2010, rather than 9 July 2010 as was previously indicated.

### 2.0 Cash Adjustment Amount

The closing price (CSPA) of ex-entitlement shares on 8 July 2010 was \$4.40. Hence the implied value of each entitlement (whether positive or negative) determined by the Exchange for the purpose of the CFDS was

$$= 4.40 - 0 - 4.10 = 0.30$$

Accordingly, the cash adjustment amount per open CFD position is, allowing for the issue ratio

$$= \$0.30 \times 1/5 = \$0.06$$

= **\$0.06** rounded to the nearest 1 cent

Long position holders (at close of business on the day prior to the effective date) will be credited and short position holders will be debited. The cash adjustment will be settled by SFECC on 9 July 2010, the first business date after effective date.
